- We build what you need, not sell you what we have.
- One size does *not* fit all.
- From a low-volume, 25-lb. pot to a high-volume, 400-lb. pot, we have you covered.
- Any configuration, from one blast pot to multiple.
- SodaBlast and more with the multi media pot.
- Blast any surface with our multi media pots.
- Contractor benefits, from support to marketing and everything in between, we have you covered.
- Training course to prepare you with marketing and job costing and certify you as a factory-trained blaster.
- Eliminate hours of expensive, wasted labor time.
- Stop farming out work to plastic media blasters.
- Strip paint and clean all surfaces in a fraction of the time normally required.
- Use environmentally-friendly baking soda.
- Strip an entire car in less than one day.
- Spot blast surface rust.
- Re-surface metal.
- 17 media warehouses fully stocked nationwide.

SodaBlast Systems

Preferred Contractor Benefits

www.sodablaster.com

SodaBlast Systems recognizes our factory-trained contractors with special benefits, upon the purchase of a mobile Blast unit, and training course. Some of those benefits are:

- Certificate of Factory Training
- Factory Support
- Artwork for Articles and Brochures for Marketing (including pictures and verbiage for your web site)
- Access to Contractor's Forum for tips and discussions
- Listing with SodaBlast Systems as a preferred contractor for referrals to customers
- Verbal Referrals to clientele in your area
- Discounts on purchases
- National Advertisements including Hemmings Motor News, Auto Trader...etc. to let customers know where to find you

Home Port Marine and SC Media are Public Relation firms who update press releases regularly. A copy of those can be e-mailed at your request. We would be happy to customize literature and e-mail or burn to a CD for you. Don't hesitate to call with any questions.

The most important benefit is support, we want you to succeed and to ensure that, we are available to you. We have a 3 tier lever of support, including regional and factory support. We look forward to welcoming you to the SodaBlast Team.

The logo for Soda Blaster Sales features the company name in a white, serif font, underlined, against a dark blue background. To the left of the text are three curved, overlapping lines in shades of blue, suggesting motion or a stylized 'S'.
